pg. 1/3

Model No.

LXR-3821

- 38U x 21"D
- Slim 19.21"W
- Ships unassembled

Construction & Features

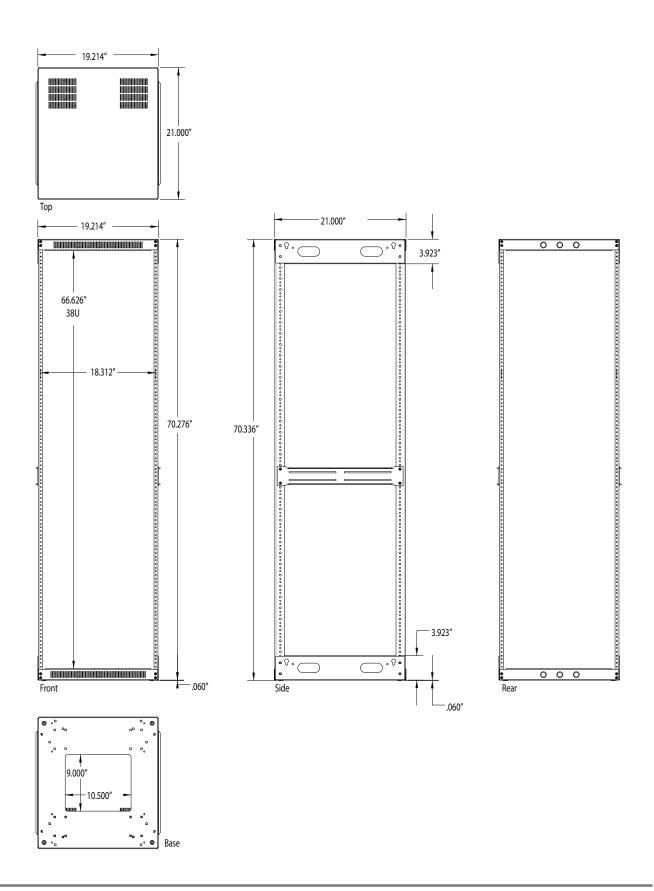

- Knockdown Frame: 14-ga. steel with front and rear vents.
- Mounting Rails: Corner post mounting rails are 11-ga. steel tapped 10-32 with printed rack unit increments for quick set-up.
- Side Support Brackets: For torsional rigidity
- Cable Management: Rear knockouts at top and bottom plus side obrounds
- Thermal Management: Top vents will accept optional fan kits (pg. 3), front vents at top and bottom
- Load Capacity: 400 lbs. [181 kg]
- Finish: Black powder epoxy.
- Hardware Assembly and panel mounting hardware
- Origin: Made in the USA with 100% certified US steel

A&E Specifications

The rack shall be AVLELEC Model No. LXR-3821 which shall ship unassembled. Overall measurements shall be 70.34"H x 21"D x 19.21"W when set up. Panel space shall be 38 rack units. The rack shall feature corner post mounting rails of 11-gauge steel and printed with rack unit increments and side support brackets to aid torsional rigidity. It shall include assembly and panel mounting hardware and be finished in a black powder epoxy paint.

Options

Front Door:

Surface-mount front door with key lock mounts left or right without drilling. Sits 1.38" from frame.

LXR-FD38: Solid steel

LXR-FD38P: Smoked plexiglass

Rear Access Cover:

LXR-RAC38V: Opens from top with key lock.

Side Panels:

SDV-3821: Pair of steel side panels with top/bottom vents increases rack width 1.25" and depth
 1". (Panel depth extends slightly from rack 5/8" in front, 5/8" in rear). Recessed handles for lift-off access can also be secured with screws.

Mobile Base:

14-ga. steel skirted base with four (3") swivel casters increases rack height 4.25"

- LXR-MB21: Base with 4 swivel casters
- LXR-MB21F: Base with 4 fine-floor swivel casters that feature a special rubber tread that won't mar wood, marble, or tile flooring

Swivel Casters (no base):

- LXR-C3S: 4 swivel

LXR-C3SL: 2 swivel, 2 swivel/locking

LXR-C3SF: 4 fine-floor swivel (special rubber tread)

LXR-C3SFL: 2 fine-floor swivel, 2 fine floor swivel/locking

Protective Runner Kit:

PRK: 4 plastic glides help protect wood when rack is placed in a credenza or custom millwork.

Zero-space Rackmount Shelf:

LXR-NS21: 16-ga. steel shelf designed especially for the LXR rack is made for oversized equipment that won't fit standard 19" rack spacing. Four point mount—load capacity 250 lbs. Measures 1.5"H x 20.45"D x 18.79"W. Bottom vents.
